PARTY BOOKINGS TERMS & CONDITIONS

Whilst we want your party to be as easy as possible for you to book and enjoy, there are some things we must make clear:

Party bookings must be made online at www.chicagosbars.co.uk at least 24 hours in advance of the party.

Bookings for parties are reservations only. These may be amended or cancelled by the venue. In these cases the venue will contact the party organiser.

Certain days/periods of the year are not available to book parties at each venue. These will be shown as 'not available' on the website.

Please note each venue has a capacity level. Therefore, if you book late there may be a chance that there is no availability.

If you have any specific requirements or questions, please contact the venue - contact details for each are on our website.

Full payment must be made at time of booking online for any food and drink bolt on options - these are all non-refundable.

We want our venue to be a safe, friendly experience for everyone who attends.

Minimum age for all people attending the party is 18. If any of your party is lucky to look under 25 then they must bring photographic I.D. (Passport or Driving Licence.)

The management of the venue reserve the right to refuse admission, or remove any member of the party (or whole group) from the venue for any reason.

We have a zero-tolerance policy on drugs - anyone found in possession or suspected of having drugs on them will be asked to leave immediately and the police may be called.

Reserved areas will usually be a seated area and where possible we will offer you a booth for your party. However larger groups and late bookings may be provided with a reserved non-seated area to use as a base to party from.

We don't provide decoration for your reserved area - however if you wish to provide this in advance, we're happy to help with putting this in your area before you arrive. Please contact the venue after you have booked.

Your whole party must be in the venue by no later than 10.30pm (9.30pm if food has been ordered), otherwise the party will be considered cancelled and the free admission, reserved area for your group along with any drink/food options you may have pre-booked will be removed.
